**Other** Tools

# PROFFESIONAL EXPERIENCE

PHOTOGRAPHER & VIDEOGRAPHER COORDINATOR - IT STAFF

# PUBLIC RELATIONS FACULTY OF COMPUTER SCIENCE

## STUDY BANDING UNAIR AND PENS

Traveled to Surabaya with lecturers to capture photos and videos of events at Pens and Unair.

## GUEST LECTURE FROM GERMANY

As a photographer and videographer, I capture and document the key moments of the Guest Lecture from Germany event.

## YUDISIUM

As a photographer and videographer for the Yudisium Ceremony, I capture and document the significant moments of this important event.

# PHOTO AND VIDEO CO- FACULTY OF COMPUTER SCIENCE

As the Photo and Video Coordinator at the Faculty of Computer Science, I capture key moments from events and activities. I am paid for my work, providing high-quality content that showcases the faculty's achievements and community spirit. My goal is to enhance the faculty's image and reach a wider audience.

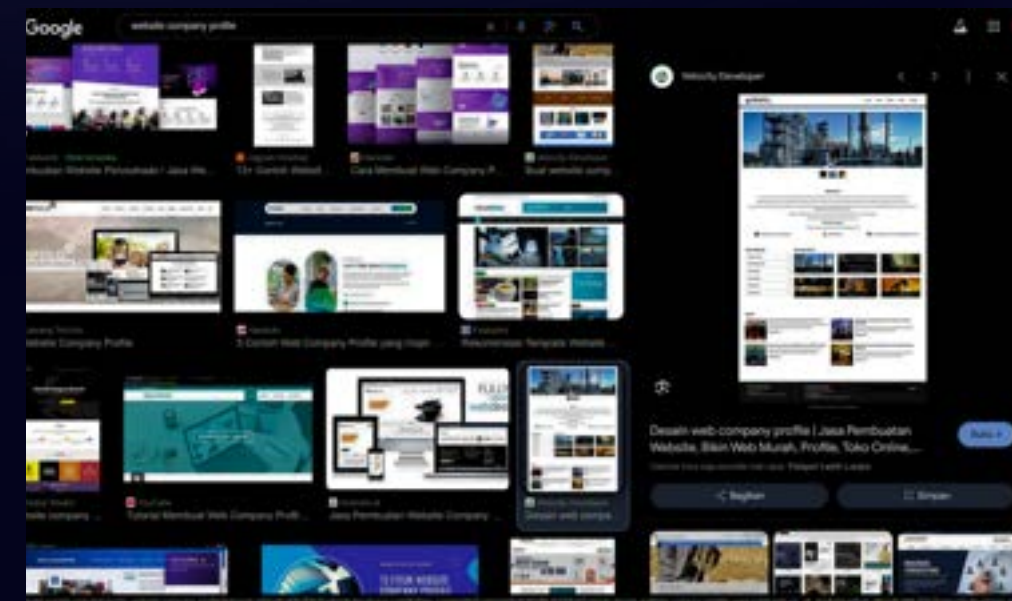

# IT STAFF CV BINTANG SEMBILAN

## RESEARCH FOR ELECTRONIC NEEDS

As an IT Staff at CV Bintang Sembilan, I research and provide recommendations for electronic equipment to meet our customers' needs.

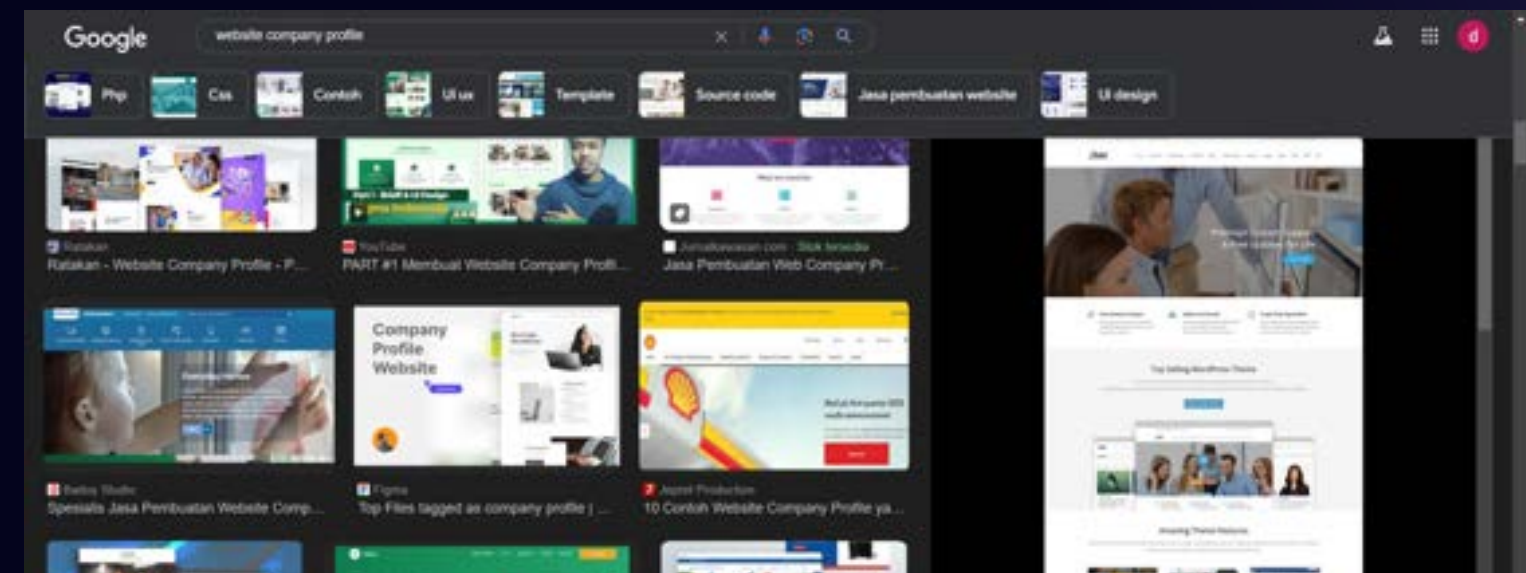

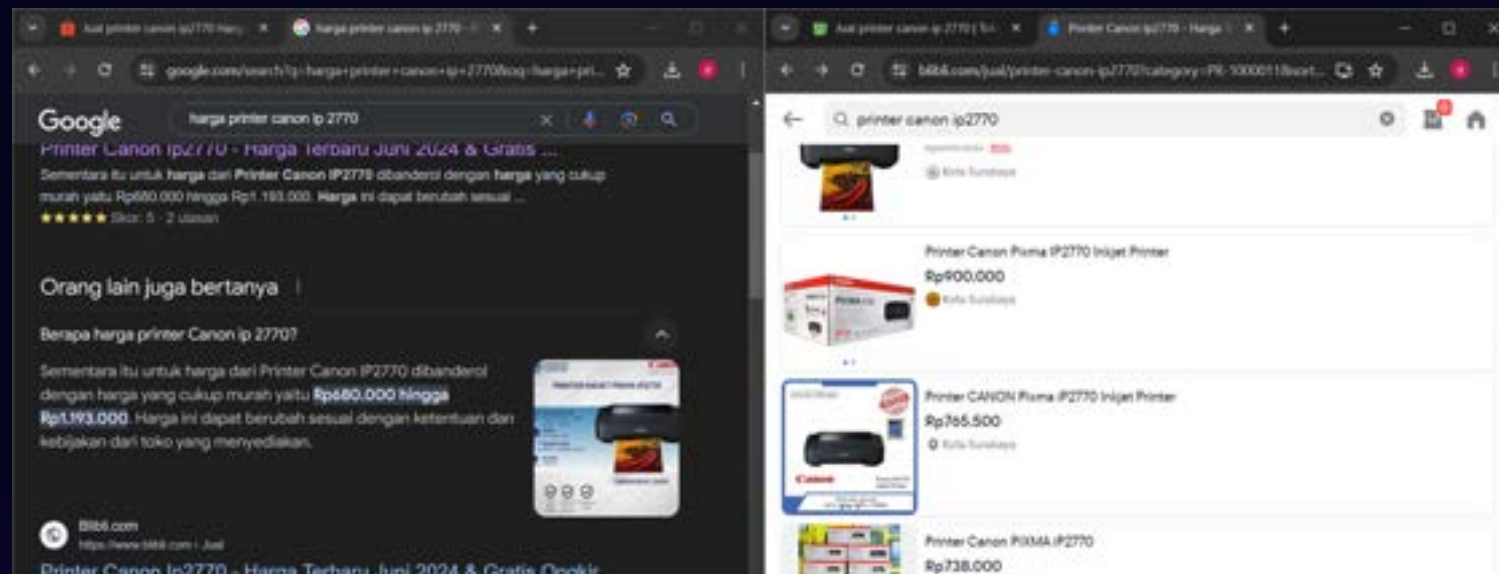

## BRAINSTORMING TO DIGITAZION

Recently, I have been tasked with brainstorming ideas for creating the company's website as part of our digitalization efforts.

# STAFF IT - CV BINTANG SEMBILAN

As an IT Staff at CV Bintang Sembilan, I provide advice to customers on selecting electronic equipment, install necessary applications, perform various design tasks, and will be responsible for developing the company's website in the future. My role is essential in supporting the company's commitment to quality and customer satisfaction in providing educational and office supplies.

# PHOTO GALLERY

Welcome to the Photo Gallery, where I showcase moments captured through my lens. Each photo in this collection mirrors my passion and commitment to photography, showcasing lively events and unforgettable moments. Enjoy delving into these visual stories, each telling a unique narrative.

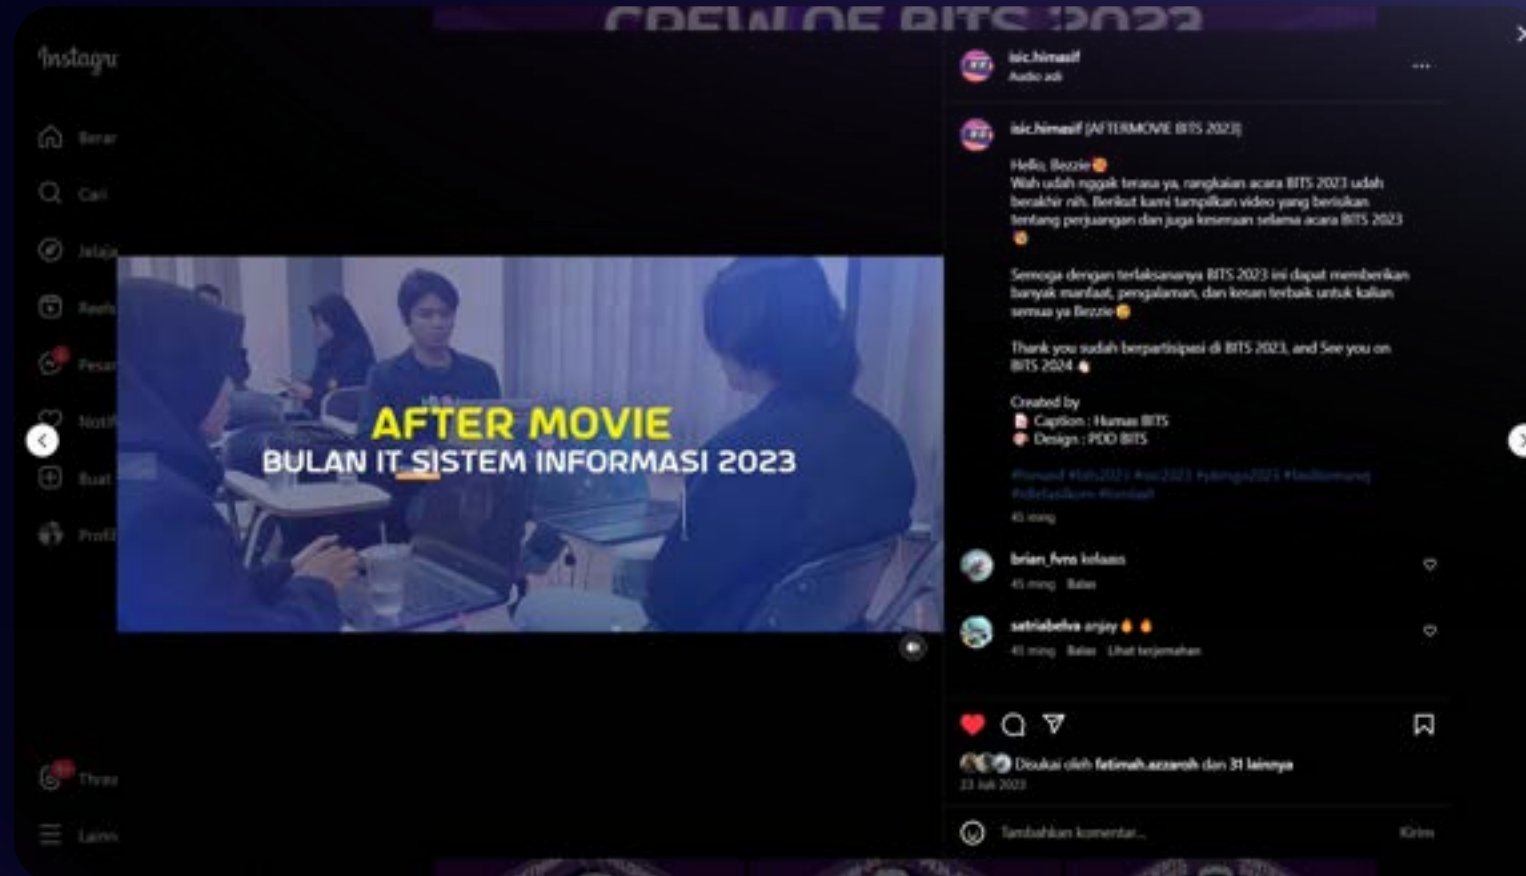

**VIDEOGRAPHY**

# AFTER MOVIE BITS 2023

As the Editor and Videographer for the After Movie of BITS 2023, I captured key moments during the event and compiled them into a cohesive and engaging video. My responsibilities included filming the event, selecting the best footage, editing clips, adding visual and audio enhancements, and ensuring the final product effectively showcased the highlights and atmosphere of BITS 2023.

[Link Video](#)

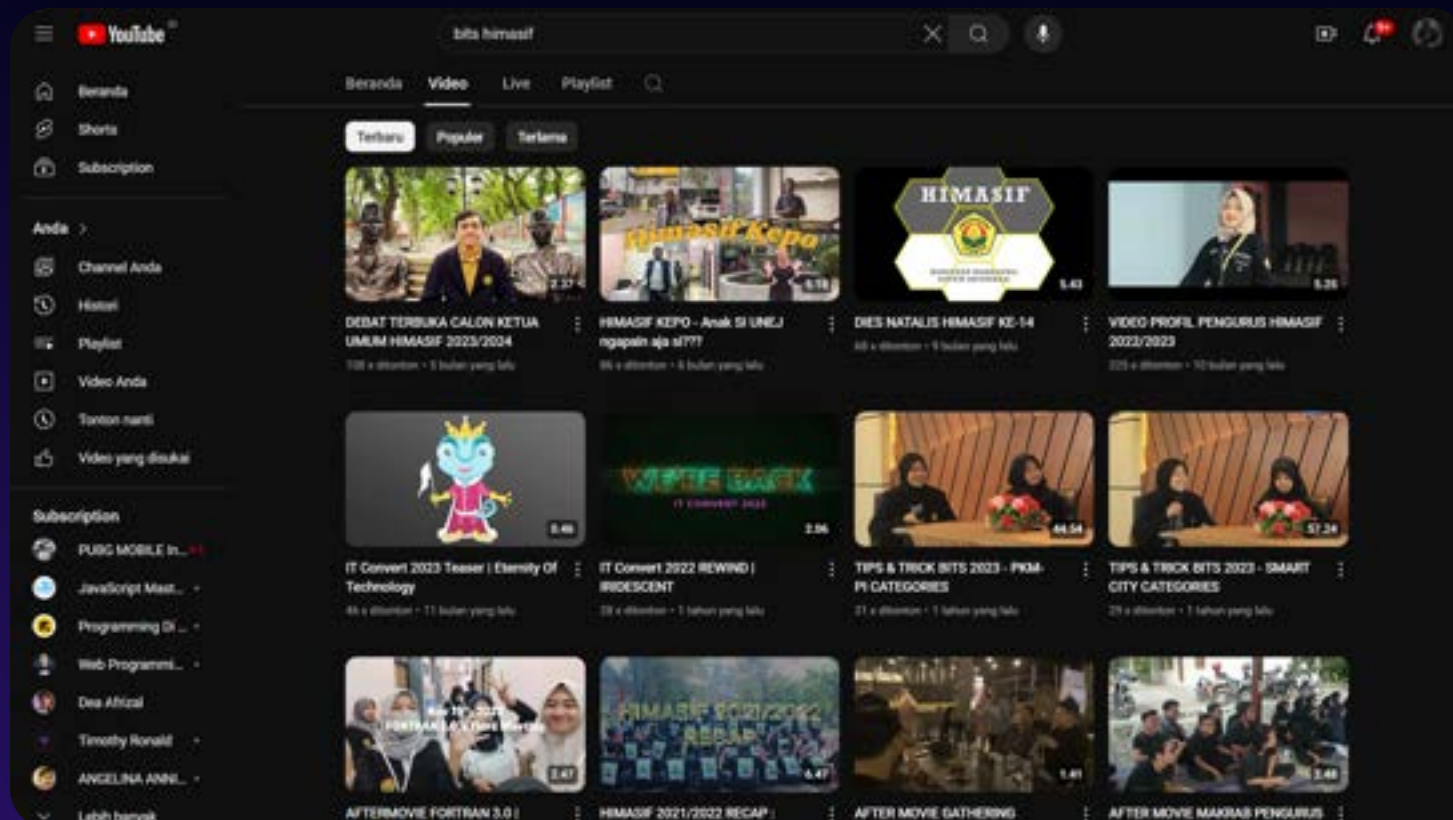

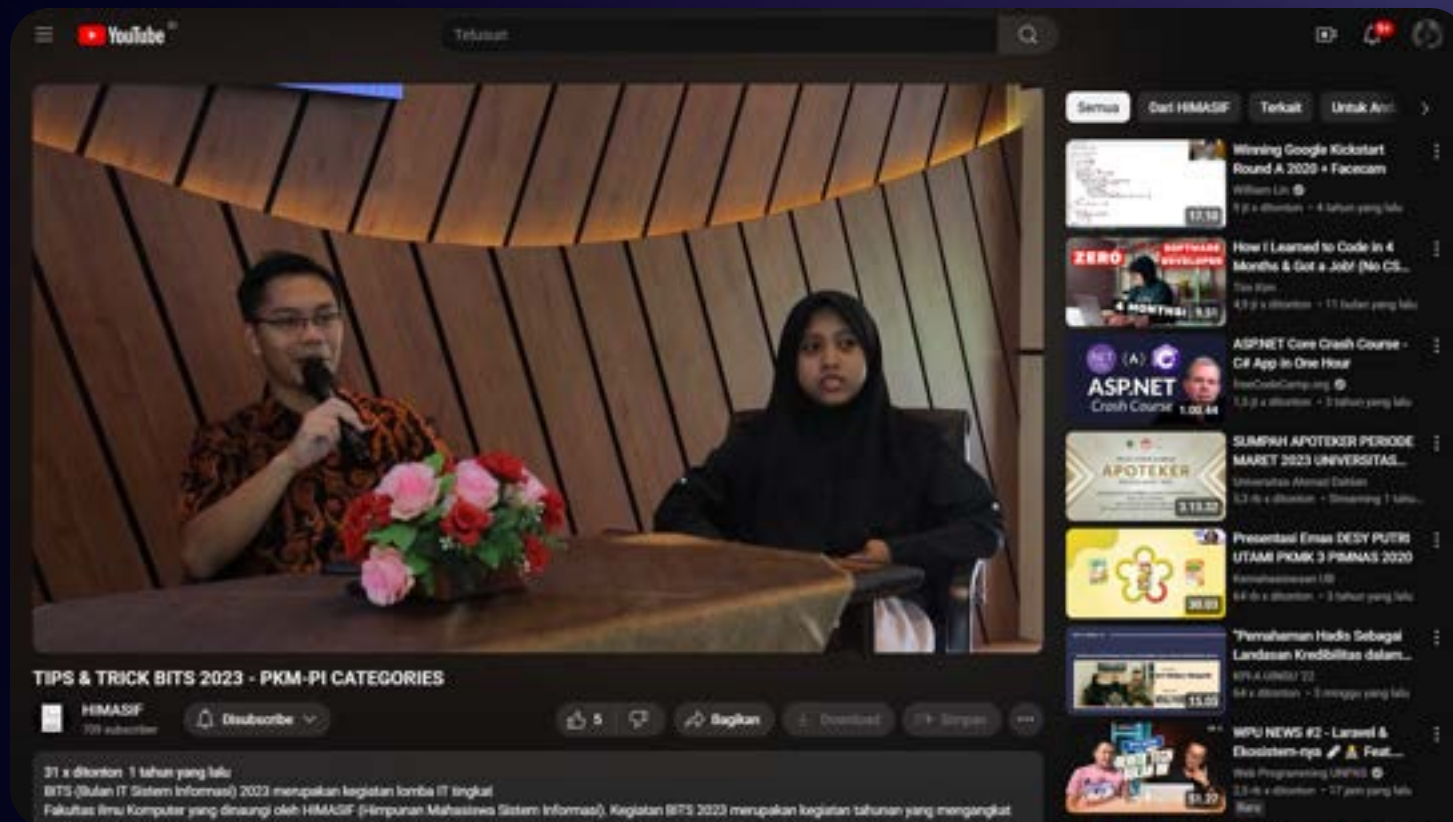

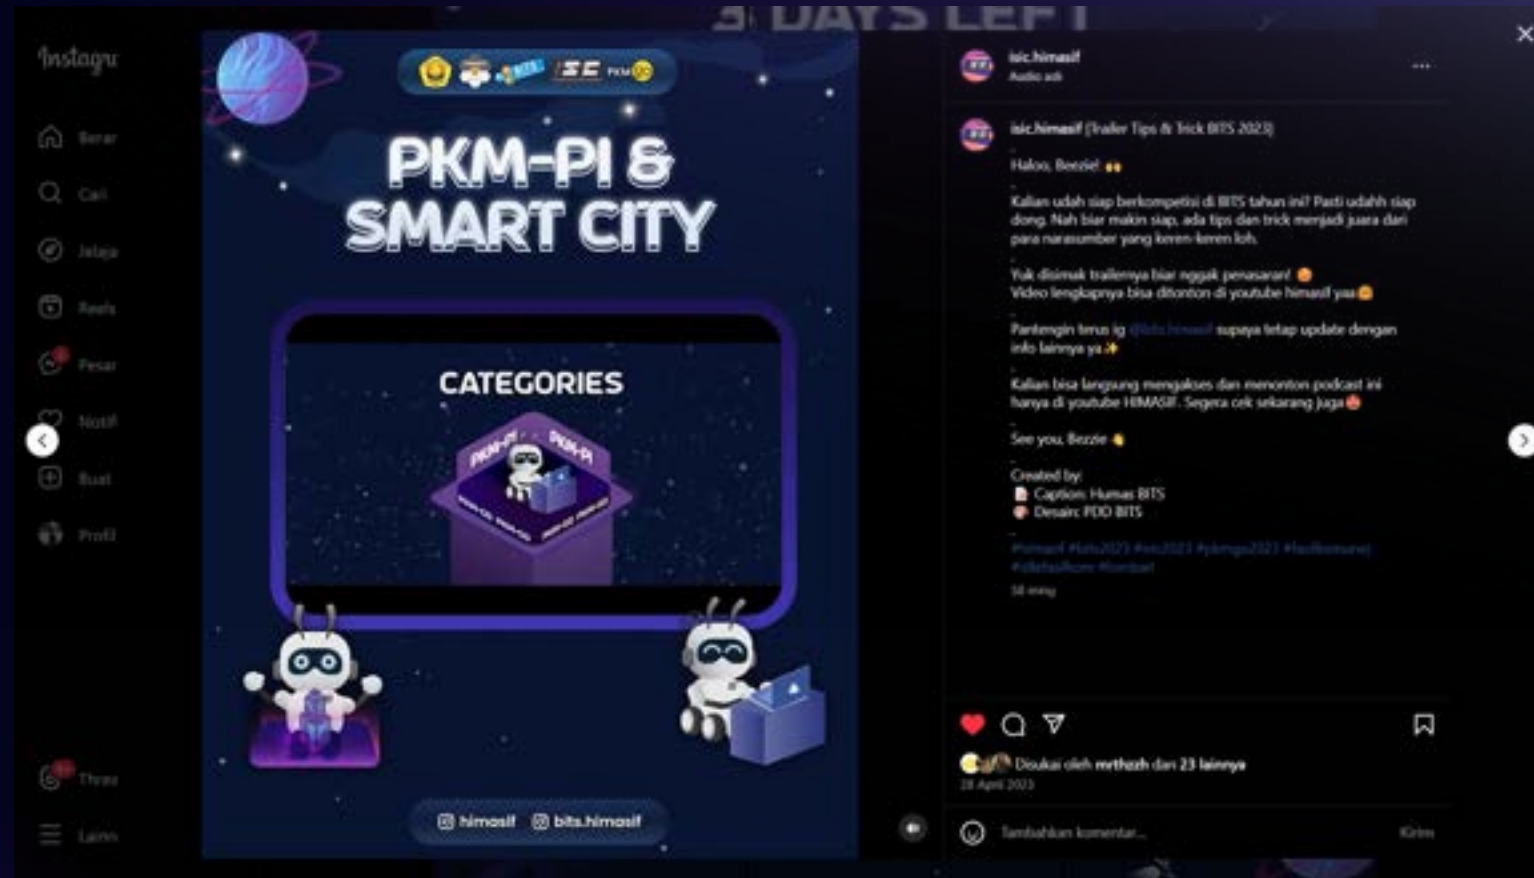

# PODCAST TIPS & TRICKS BITS 2023

As the Video Editor and Videographer for the "Podcast Tips & Tricks BITS 2023," I record and edit high-quality podcast sessions. My responsibilities include capturing video and audio, editing footage, adding visual effects, and incorporating graphics and text to highlight key tips and tricks. My goal is to create an engaging and informative podcast video for viewers.

[Link Video](#)

# TRAILER TIPS AND TRICKS BITS 2023

As a Video Editor for the "Trailer Tips and Tricks for BITS 2023," I am responsible for selecting and editing the best footage, adding visual effects, synchronizing audio, and incorporating graphics and text. My goal is to create a compelling and informative trailer that provides essential tips and tricks for attendees to make the most of the event.

# GET TO KNOW MORE ABOUT BITS 2023

As the Video Editor for the animated "Get to Know More About BITS 2023" video, my responsibilities include creating and editing engaging animations to provide an overview of the event. I design and animate graphics, synchronize audio, and incorporate text and visual effects to ensure the video is both informative and visually appealing. My goal is to create a captivating animation that effectively communicates the highlights and key information about BITS 2023.

# PARODI LEFT & RIGHT

As the Editor, Concept Creator, and Videographer for the parody of Charlie Puth's "Left & Right," I blend humor with a unique twist on the original song. My role involves crafting a creative concept, capturing entertaining footage, and editing a video that will entertain and delight viewers with its comedic take on the song.

Link Video

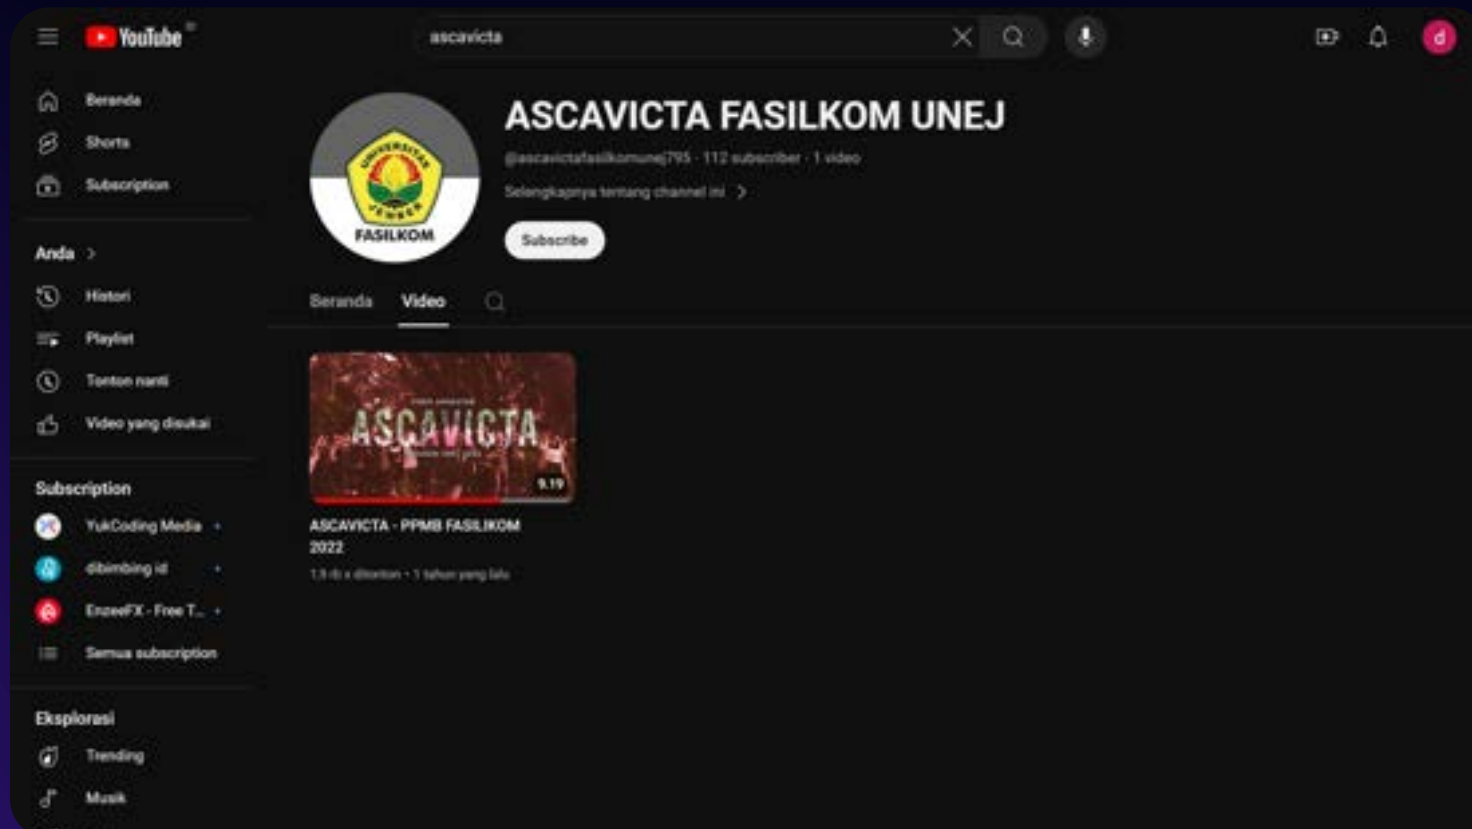

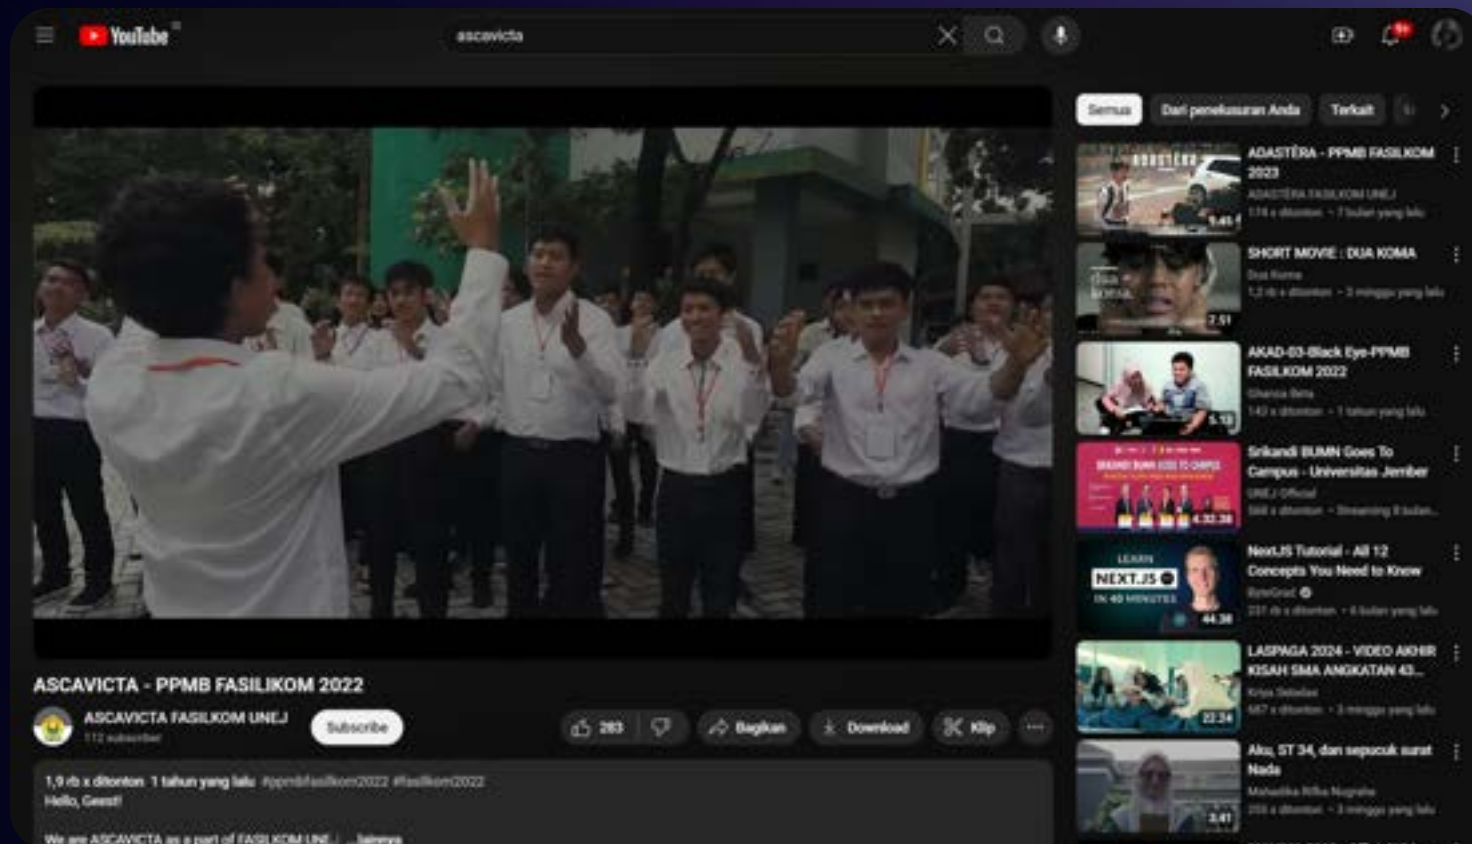

# ASCAVICTA PPMB FASILKOM

As the editor for the ASCAVICTA PPMB Fasilkom 2022 Closing video, my task is to conceptualize and bring to life a narrative that encapsulates the essence of the orientation week. This involves developing a storyline or thematic approach, selecting and editing footage to fit this concept, and integrating visual and audio elements that enhance the overall message. My goal is to create a thought-provoking and impactful video that resonates with the audience and leaves a lasting impression.

[Link Video](#)

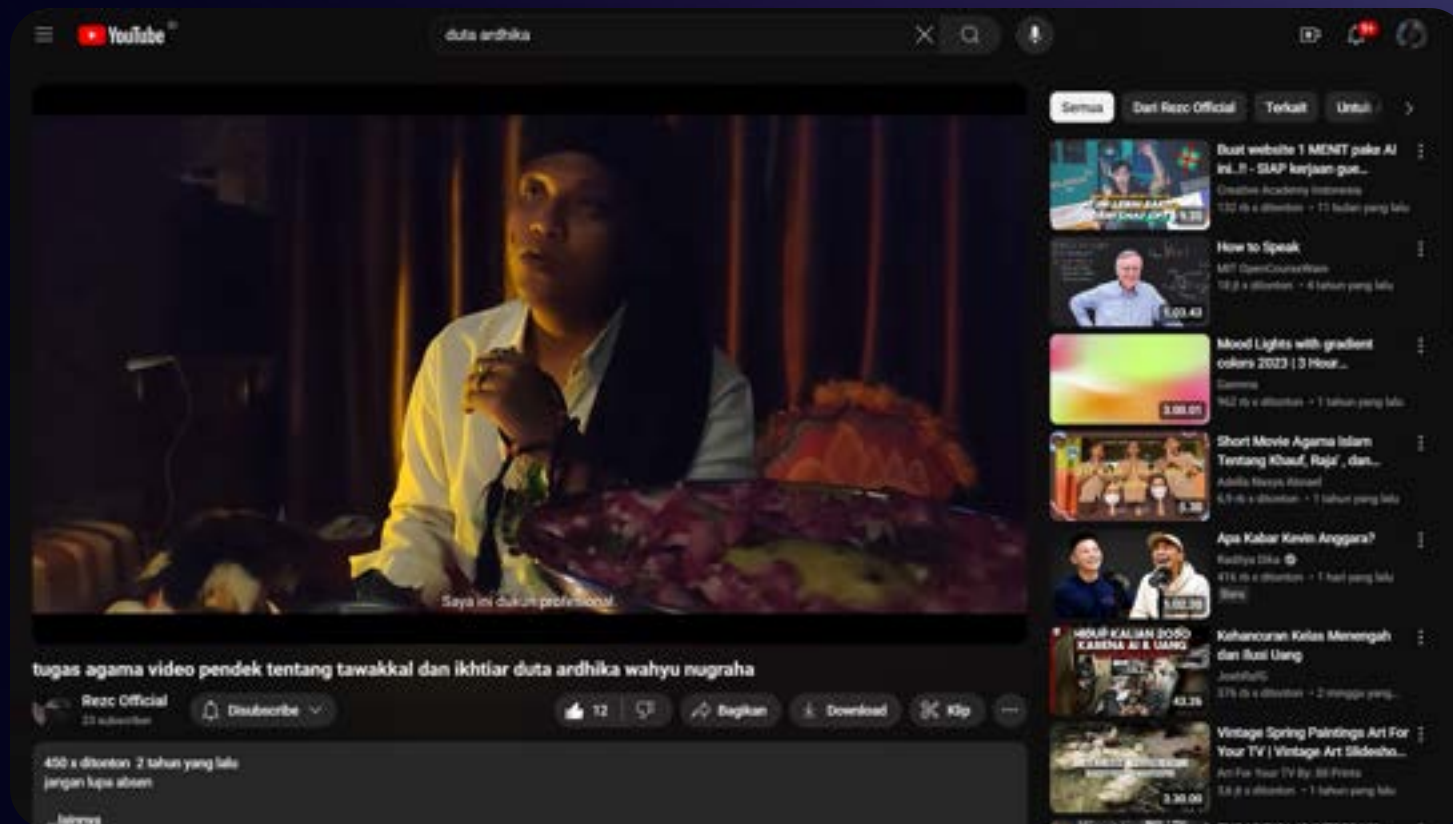

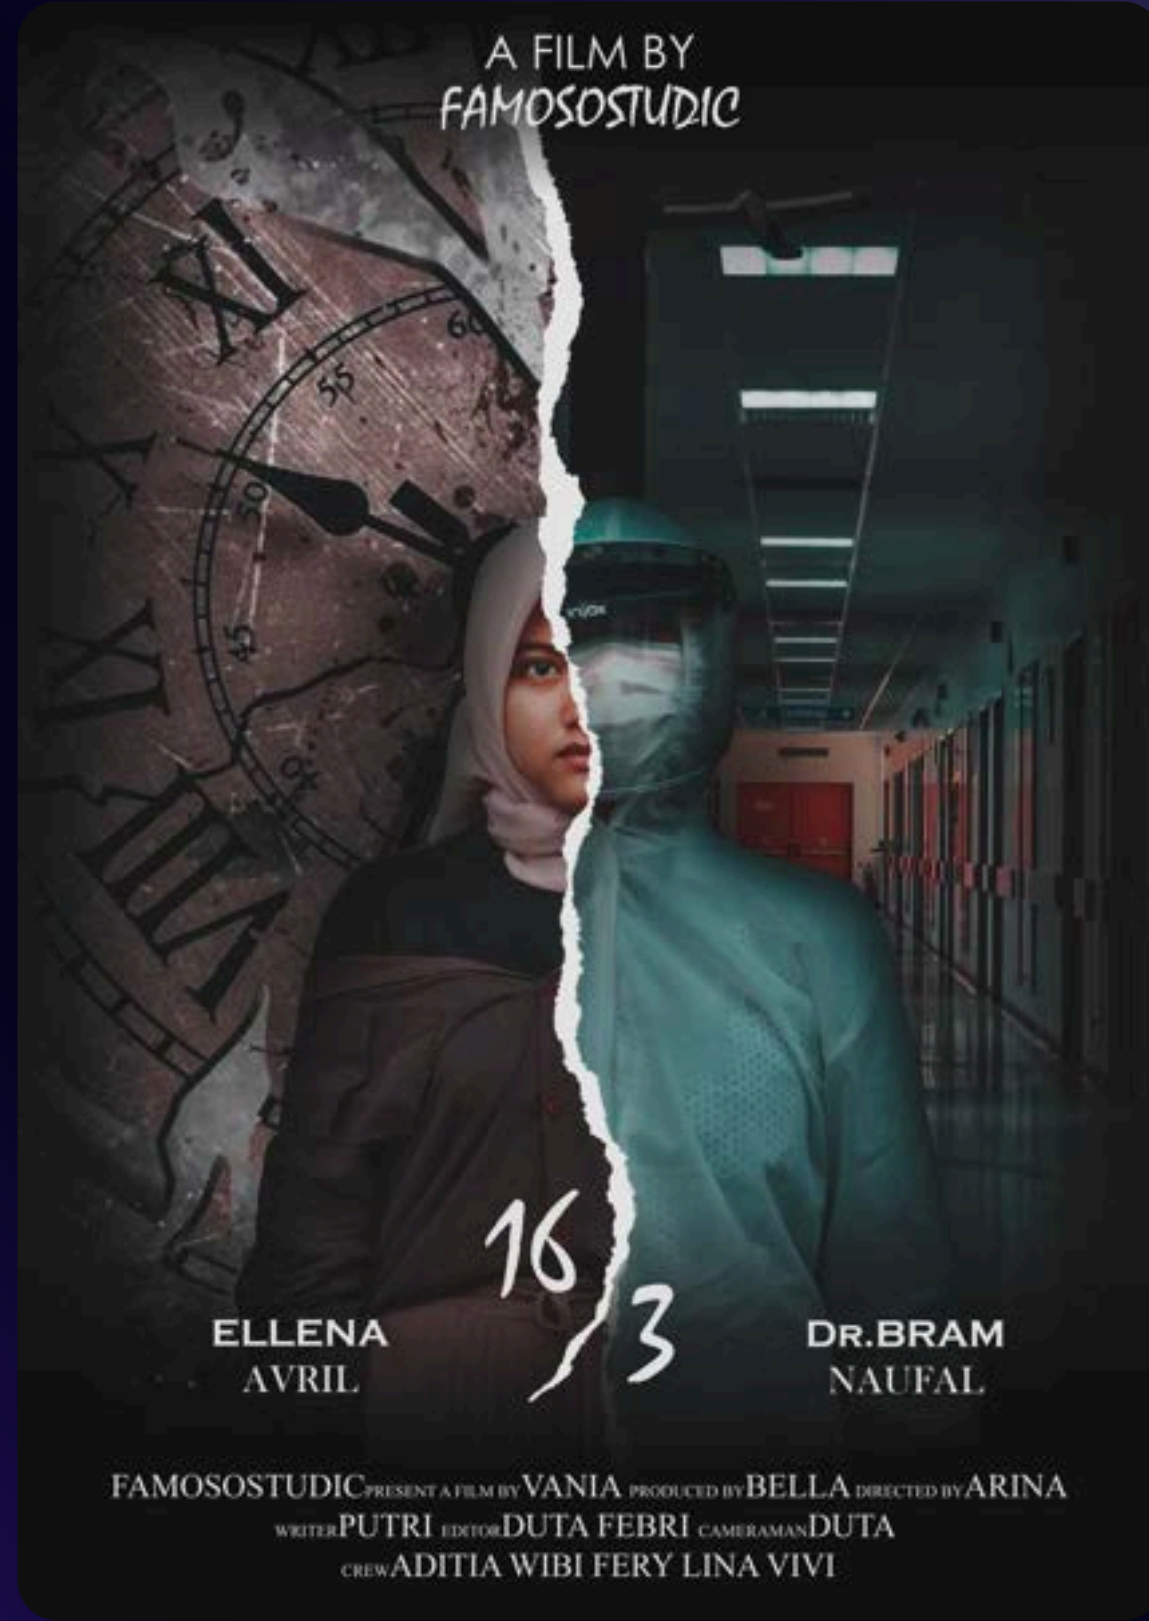

# SHORT MOVIE MBAH TOMPEL

As the Director, Videographer, and Editor of "Mbah Tompel," I blend horror elements with life lessons to create a captivating cinematic experience. Through the lens of horror, the film explores profound insights into life's journey and the lessons we learn along the way. From capturing chilling moments to weaving in meaningful narratives, my role is to immerse the audience in a tale that entertains and enlightens simultaneously.

# SHORT MOVIE

## 16/3

As the editor and videographer for "16/3," your role is to captivate the audience's attention by telling Ellena's story during COVID. Through your editing and filming skills, you aim to evoke the same emotions Ellena experiences, ensuring viewers understand her journey. Ultimately, your goal is to leave a lasting impression on the audience, prompting them to think and feel something significant after watching the film.
